Dear Sir or Madam,

RE: Must-Carry Demand for Station KVMD-DT, Twentynine Palms, California

KVMD Licensee Co., LLC ("KVMD"), the licensee of Station KVMD-DT, Twentynine Palms, California (the "Station"), hereby demands mandatory carriage of the Station's signal, pursuant to Section 76.61(a)(1) of the Commission's Rules, on your cable systems serving the communities of, Arcadia, Monrovia, Pasadena, California, and any other cities, communities and unincorporated portions of the counties served by your systems, which are within the Los Angeles DMA.

By certified letters dated September 22, 2005 ("Must-Carry Letters"), and pursuant to Section 76.64(f) of the Commission's Rules, the Station requested must carry status for the current triennial carriage cycle. As the Must-Carry Letters demonstrated, you are obligated to carry the Station because both the Station and your cable systems are located within the Los Angeles DMA, and because the Station has returned its analog spectrum allocation and is broadcasting on a digital-only basis. *See Memorandum and Opinion Order and Notice of Proposed Rulemaking*, CS Docket No. 98-120, 15 FCC Rcd 20845, 20872 (2000).

More than 30 days have elapsed since KVMD's request, and you have failed to satisfy your carriage obligations vis-à-vis the Station by informing the Station of

your cable system's agreement to commence such carriage as of January 1, 2006. In fact, KVMD has received no response from Altrio Communications Cable Co.. Accordingly, KVMD hereby submits this formal demand for carriage pursuant to Section 76.61(a)(1).

If you have any questions or concerns regarding this matter, please contact the undersigned at 310-478-0055.

Sincerely yours,

A handwritten signature in black ink that reads "Lawrence C. Peterson". The signature is written in a cursive style with a large, sweeping initial "L" and a distinct "C" before the last name.

Dear Dawn McWithey,

RE: Must-Carry Demand for Station KVMD-DT, Twentynine Palms, California

KVMD Licensee Co., LLC ("KVMD"), the licensee of Station KVMD-DT, Twentynine Palms, California (the "Station"), hereby demands mandatory carriage of the Station's signal, pursuant to Section 76.61(a)(1) of the Commission's Rules, on your cable systems serving the communities of, Bishop, Independence, Big Pine, Forty Acres, Mustang Mesa, Round Valley, Rovana, California, and any other cities, communities and unincorporated portions of the counties served by your systems, which are within the Los Angeles DMA.

By certified letters dated September 22, 2005 ("Must-Carry Letters"), and pursuant to Section 76.64(f) of the Commission's Rules, the Station requested must carry status for the current triennial carriage cycle. As the Must-Carry Letters demonstrated, you are obligated to carry the Station because both the Station and your cable systems are located within the Los Angeles DMA, and because the Station has returned its analog spectrum allocation and is broadcasting on a digital-only basis. *See Memorandum and Opinion Order and Notice of Proposed Rulemaking*, CS Docket No. 98-120, 15 FCC Rcd 20845, 20872 (2000).

More than 30 days have elapsed since KVMD's request, and you have failed to satisfy your carriage obligations vis-à-vis the Station by informing the Station of

your cable system's agreement to commence such carriage as of January 1, 2006. In fact, KVMD has received no response from Cequel III. Accordingly, KVMD hereby submits this formal demand for carriage pursuant to Section 76.61(a)(1).

If you have any questions or concerns regarding this matter, please contact the undersigned at 310-478-0055.

Sincerely yours,

A handwritten signature in black ink that reads "Lawrence C. Peterson". The signature is written in a cursive style with a large, sweeping initial "L" and a distinct "P".
